C. Advisory Subcommittee Reports

1. DEI Advisory Committee

Jennifer Lima stated, "The DEI subcommittee met last on 12/17. I was unable to attend so thank you to Dr. Earle for chairing the meeting for me. Ally Nascenzi, the new Equity Belong and Community Engagement Coordinator gave an update on her first few weeks in the district. The limited number of responses received to the student survey that was sent out at the end of last year was discussed. The timing at the end of the school year may have been a contributor so it is going to be resent. In June of 2022 the committee's recommendation regarding district documents and forms was discussed and while there has been progress there are still areas that can be addressed. There was a discussion around creating a reference or a guidance that could be used when drafting correspondence or fliers to maximize inclusivity. The committee continued to refine it's goals for the years and at the request of administration will be reviewing the student conduct policy through an equitable discipline lens. Our next meeting is scheduled for Wednesday, January 21st."

2. Policy Advisory Committee

Jennifer Lima stated, "The Policy Advisory Committee last met on December 22nd. We reviewed the district's purchasing procedure policies. The district currently has two policies which will be consolidated. The dollar limits are being updated to be in alignment with the town charter and some additional language is being added. We also reviewed the current appeals policy and how it can be updated to convey a fair and consistent process for resolving concerns. We also discussed a new policy for student surveys that will establish what type of information may be sought in student surveys, the notice that must be provided to families, and what type of authorization is required. We also talked briefly about the McKinney-Vento policy and that we will be looking to make some revisions to make it a more user friendly document, All of these policies will be reviewed at our next meeting which is scheduled for Monday, January 26th."

3. SELAC

Erin Earle shared that SELAC's last meeting was a productive meet and greet. The chairs were present as well as additional parents. The group is focused on increasing visibility. Dr. Santa delivered a presentation on district programs.

4. Budget and Finance Advisory Committee

Sheri Kennedy shared from the Budget and Finance Advisory Committee: We met on Monday January 12.

Reviewed Lesli-Ann's Presentation on Key Budget Drivers for FY27. You can find this presentation on the NKSD website under Budget & Finance Advisory Committee - Additional Documents.

The Committee gave administration ideas on the best way to present the key budget drivers for FY27 to the School Committee Budget Meeting on 1/20/26.

1. IM.1 Cultural Respect and Inclusive Engagement

ATTACHMENTS:

- IM1 - Cultural Respect and Inclusive Engagement for 1.13 SC Meeting (1) (PDF)

Motion to Discuss- Mrs. Lima. Seconded- Mr. Case.

Jennifer Lima stated, "This is the second read of a new policy that affirms the district's commitment to fostering an educational environment that respects and celebrates cultural diversity, promotes inclusivity and prevents cultural appropriation. We have been working on this policy since early 2024, and it was put forward and pulled back to be reworked based on feedback received at that time. There has been a lot of care put into finding the right balance between encouraging teachers to continue to do the amazing work they have been doing in bringing other cultures into the classroom and recognizing that intent does not always equal impact. This policy specifically does not have a discipline component as the goal is to strengthen cultural understanding and support a respectful, inclusive environment. I want to thank all the people who have provided feedback on this policy and shared their thoughts and concerns in order to get this draft to the version it is today. At this time I am recommending approval."
