The public is welcome to participate in Town Council meetings in several ways:

- *Citizens are invited to speak on the topic of a Public Hearing which will be listed on the agenda.*
- *Citizens may speak during Open Forum to clarify or comment on an item on the agenda or address items not on the agenda.*
 - *A Citizen may schedule a Request to Address with the Town Council no less than seven day before the meeting in which they would like to appear. Their topic will be listed on the agenda and Town Councilors may respond to their comments.*
 - *Citizens may also simply request to speak in Open Forum at a Council meeting by raising their hands and being recognized by the Town Council President. (See below)*
- *At other times during a Town Council meeting, citizens may speak at the discretion of the Council President or of a majority of Councilors present.*

Anyone wishing to speak should use the microphone at the front of the room and state their name and address for the record. Comments must be addressed to the Council, not the audience. The Town Council hopes that citizens and Councilors alike will be respectful of each other, and mindful of everyone's time. For those speaking on an agenda item, please note that this is the time reserved for councilors to discuss these items and your participation in the discussion is at the discretion of the Council.
