Planning Board Agenda

1. Call to Order

2. Roll Call

3. Public Workshop: Hazard Mitigation Plan - The Town of East Greenwich is currently updating the 2015 Natural Hazard Mitigation Plan. This Plan is important because it helps the Town plan for projects that reduce the risk of injury or damage to property from future natural hazard events such as flooding, winter storms, and hurricanes. Having an updated plan is important if the Town is to receive FEMA or other Federal funding in such instances. The Town's Hazard Planning consultant will present the status of actions recently undertaken and gather input from the participants about priorities for the future.

4. Minutes - Review/approval of the minutes of the May 5 and May 19, 2021 meetings.
