The Middletown School Committee follows the codification of present-day general parliamentary law as articulated in Robert's Rules of Order Newly Revised 10th edition (2000), together with whatever rules of order the Committee has adopted for its own governance. The motion to reconsider is one of the motions that can bring a question again before an assembly, and is designed to bring back for further consideration a motion which has already been voted on:

If, in the same session that a motion has been voted on, but no later than the same day or the next day on which a business meeting is held, new information or a changed situation makes it appear that a different result might reflect the true will of the assembly, a member who voted with the prevailing side can, by moving to **Reconsider** [RONR (10th ed.), p. 304-321] the vote, propose that the question shall come before the assembly again as if it had not previously been considered. (From Robert's Rules of Order Newly Revised In Brief, Robert, Evans et al., De Capo Press, 2004)

- Update and discuss the Newport-Middletown School Regionalization Plan with the Middletown School Committee.
