

**Sea Level Rise Committee Agenda**  
**Tuesday, May 3, 2022**  
**Town Hall, Old Town Road**  
**3:00 p.m.**

Mission: The Sea Level Rise Committee is established to understand the potential local impacts posed by sea level rise, assess the community's vulnerabilities, engage citizens and assist the town to assess, recommend and implement mitigation projects or other priority actions that will improve Block Island's coastal resiliency.

1. Approval of Minutes from March 1<sup>st</sup> and April 5<sup>th</sup>, 2022
2. Scott Comings Presentation on his experience with reef balls and other wave attenuation technologies. Here are links that Scott provided. In Scott's words, the first is the page for the general public while the second is the page with the case studies that have more technical information:

<https://www.nature.org/en-us/what-we-do/our-priorities/protect-water-and-land/land-and-water-stories/northeast-living-shorelines/>

<https://www.nature.org/en-us/what-we-do/our-priorities/protect-water-and-land/land-and-water-stories/northeast-living-shorelines-case-studies/>

Also attached is an article from the Providence Journal about the artificial reef that TNC installed.

3. Committee Member Updates:
  - a. Town Council
  - b. Town Planner including grants and the Town Hazard Mitigation Plan
  - c. Communication liaisons with key groups
4. Upcoming Immersion Sessions
5. For the good of the group
6. Next meeting: June 7, 2022

Individuals requesting interpreter services for the deaf and hard of hearing must call (401) 466-3200 forty-eight hours in advance of the meeting date. TTY: 711. Posted 4/28/22 jks
