Meeting Attendance and Access

The RI Continuum of Care meets monthly in person. This is a Special Meeting scheduled outside of the regular 2026 Meeting Schedule. All are welcome to attend. Please take note of the different location than our typical meeting space.

Board members must attend in person to count toward the quorum and to vote. Participation in the meeting requires in-person attendance, unless you qualify for accommodation under the Open Meetings Act (OMA) or have been invited to present. If you need an OMA

accommodation, please contact Sarah Saint Laurent at ssaintlaurent@rihousing.com at least 3 business days before the date of the scheduled meeting to allow time for processing.

For those unable to attend in person, we offer the option to view/listen to the meeting remotely via Microsoft Teams or by telephone when possible. In some cases, this may not be feasible due to technical issues or because the meeting is held at a location that lacks the technology to support a hybrid format. When a meeting is scheduled in a location that does not support hybrid participation, we will notify you as soon as possible.

This meeting is planned to be accessible remotely via Microsoft Teams; you can join using the information below. Please note that remote attendees will not be able to participate in or provide live comments during the meeting. Comments submitted through the Teams chat will be collected by CoC Planning Staff and shared with the appropriate group(s) following the meeting.
