Meeting Attendance and Access

The RI Continuum of Care meets monthly in person. The location sometimes changes and the address for each specific month will be listed at the beginning of the agenda. All are welcome to attend.

Voting members, including, but not limited to, Board members, must attend in person to count toward quorum and to vote. Participation in the meeting requires in-person attendance, unless you qualify for accommodation under the Open Meetings Act (OMA) or have been invited to present. If you need an OMA accommodation, please contact Sarah Saint Laurent at ssaintlaurent@rihousing.com at least 3 business days before the date of the scheduled meeting to allow time for processing.

For those unable to attend in person, we will make every effort to offer a hybrid meeting option whenever possible. In some cases, this may not be feasible due to technical issues or because the meeting is held in a location that does not have the technology to support a hybrid format. When a meeting is scheduled in a location that does not support hybrid participation, we will notify you as soon as possible.

When available, meetings will generally be accessible live via Microsoft Teams using the information below. Please note that remote attendees will not be able to provide live comments during the meeting. Comments submitted through the Teams chat will be collected by CoC Planning Staff and shared with the appropriate group(s) following the meeting.
