GUESTS: Jeff Rosow (an “Adopt-An-Area” volunteer), Stu Gilfillen (from the Recreation Committee), and Bill Gerlach (Sustainable Sakonnet Group) have been invited to joining our meeting tonight. The topic of conversation will be Jeff’s interest in obtaining cigarette butt dispensers for Grinnell’s Beach as a “pilot” program. The dispensers would be placed at various locations of the beach. Signage as well as verbal information (from those working the gate) would be needed to inform beachgoers about the dispensers. The dispensers, once filled, would have to be emptied by volunteers?? and sent to Terracycle (with free shipping labels), so the contents can be disposed of properly. Monies for this project would come from individual donations and grant money, if available
